

# TWO DAY FIRST AID AT WORK REQUALIFICATION

2 Day Course (Minimum 12 Hours)

## LEVEL 3

[ROF Level 3 Award \(England, Northern Ireland & Wales\)](#)

Qualification Title: **FAA Level 3 Award in First Aid at Work**

Unit 1 Title: **Emergency First Aid in the workplace**

Unit 2 Title: **Recognition & Management of illness & injury in the workplace**

[SCQF Level 6 Award \(Scotland\)](#)

Qualification Title: **Award in First Aid at Work at SCQF Level 6**

Unit 1 Title: **Emergency First Aid in the Workplace**

Unit 2 Title: **Recognition & Management of illness & injury in the workplace**

This 2 day First Aid at Work course is designed for those who currently hold a First Aid at work Qualification & are due to expire. Please consider the following rules for attendance:

- A First Aider can renew their FAW qualification by attending a 2 day requalification course without question, if it's within 1 month past the expiry date
- If the First Aider has lapsed by more than 1 month, but no longer than 3 months, then the First Aider can requalify by attending a 2 day course providing "Special considerations" have been applied

Special Considerations are:

- A signed letter from the employer to the provider of the training stating the reasons why in their opinion, the First Aider is suitably experienced to attend a 2 day course & does not require a 3 day FAW Course.

OR

- A decision is made by the provider of the training after discussions with the employer, or the First Aider, & deciding that their previous experience is sufficient to attend a 2 day course.
- If the First Aider has lapsed beyond 3 months then they must attend a Full 3 day FAW Course.

The important thing to remember is that as soon as the certificate expires, the First Aider is no longer considered competent to act as a First Aider in the workplace which may well leave the employer with a shortfall of First Aiders. Therefore, it would be prudent to arrange their qualification before they expire.

### Duration

A Minimum of 12 hours spread over at least 2 days. Ideally, the course should be run over two consecutive days, but can be spread over a longer time period if you so desire, providing it is completed within 6 weeks of starting the course & the training sessions last for a minimum of two hours.

### Syllabus

A range of subjects are covered including

- Legalities, Responsibilities & Reporting
- Dealing with an Unresponsive Casualty
- Fractures & Spinal Injuries
- Control of Bleeding
- Poisoning
- Burns
- Epilepsy
- Resuscitation & AED awareness
- Bandaging
- Heart attacks
- Head Injuries
- Chest Injuries
- Asthma
- Stroke
- Assessment of the situation
- Shock (Including Anaphylactic)
- Choking
- Eye Injuries
- Sprains & Strains
- Diabetes

### Certification

Successful qualification on this course is based on practical assessments conducted throughout the course & written test papers each day. A three year Level 3 Award in First Aid at Work (Level 6 in Scotland) will be issued to the learner, subject to successful assessment. No External assessors are required.

### Numbers

A maximum of 12 Students are allowed with a minimum of 14 years of age & a certificate can be offered to all, subject to assessment. A student cannot assume a responsibility in the workplace until they reach the age of 16, & then it is the employer's responsibility to ensure that the student is suitable for that role.

The Certificate will expire as dated on the Certificate, respective of age.
